The background of the entire page is a repeating pattern of stylized woodland elements. It features pink deer of various sizes, some with white spots, and small pink birds perched on green branches. There are also green pine branches, small green leaves, and small pink and green dots scattered throughout. The pattern is symmetrical and repeats horizontally and vertically.

Woodland Deer

IMABABYWEAR

Woodland Deer

" The forestry woodland deer theme is perfect for wintry. Crafted with fine details for a stately appearance, our lovely bucks will steal a woodland, they will look so special on your kid. This woodland deer theme is a good reminder that nature is all around us. "

The background of the entire page is a repeating pattern of tropical-themed illustrations. It includes toucans with large yellow and orange beaks, pineapples, various types of leaves (feathers, palm, heart-shaped), orange slices, cacti in pots, and small blue 'x' marks and hearts. The colors are primarily blue, orange, and yellow on a white background.

Toucan Forest

IMABABYWEAR

Toucan Forest

"The toucan's colorful bill gives a new meaning to the Rainforest; it takes a blissful flight, spreading its color all over the forest. Likewise, your baby bird shall take her first flight, filling the world with amazement, bringing eternal glory to the nest whence she sprang."

imababywear

All the imababywear garments are tailored by a highly skilled master-tailor to the precise size of its wearer. Every clothe is uniqueley tailored for a perfect fit.

imababywear garments are made with 100% premium cotton. They are free of chemicals, Hypoallergenic, natural moisture wicking and do not irritate skin.

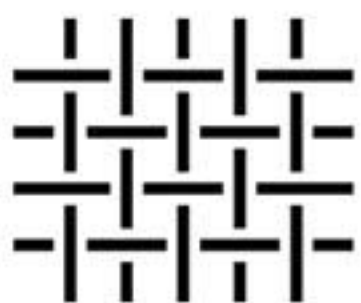

Our cotton is sourced directly from nature, which is highly breathable, naturally absorbs and releases moisture and so good for sensitive skins.

Crafted Fabrics

Interlock

Interlock fabrics are specially knitted for baby garments, because it is super-soft. This fabric is smooth on both the sides which feels like a butterfly on the baby's skin. It has a good shape retention property.

Muslin

Muslin is a plain-woven cotton fabric, which is highly breathable. It is very fine, lightweight and smooth in texture. And it is one of the purest, softest and most gentle fabrics available around the world, so it is widely used in baby clothing. Since it is highly breathable, muslin allows for airflow, reducing the risk of overheating. This quality helps keeping the baby more comfortable, safe and gentle.
