The background is a repeating pattern on a light blue background. It features white polar bears and dark blue brown bears standing on small pinkish-brown patches. The bears have simple black outlines and wavy lines on their chests. Surrounding the bears are various stylized trees: yellow conifers, green conifers, and pinkish-brown trees with horizontal stripes. There are also small white mushrooms and green plants. The pattern is dense and colorful.

Arctic Bears

IMABABYWEAR

Arctic Bears

"The Arctic has huge glaciers, frozen waterfalls, floating ice and also bears. This is a scenery on which man has left no mark, which has stayed unchanged for centuries, wild, bleak, hauntingly beautiful; Arctic bears-themed dress is a super-cute way to turn your child into an explorer of Arctic and its beauty."

All the imababywear garments are tailored by a highly skilled master-tailor to the precise size of its wearer. Every clothe is unqueley tailored for a perfect fit.

imababywear garments are made with 100% premium cotton. They are free of chemicals, Hypoallergenic, natural moisture wicking and do not irritate skin.

Our cotton is sourced directly from nature, which is highly breathable, naturally absorbs and releases moisture and so good for sensitive skins.

Fabric

Interlock

Interlock fabrics are specially knitted for baby garments, because it is super-soft. This fabric is smooth on both the sides which feels like a butterfly on the baby's skin. It has a good shape retention property.

Imababywear

imababywear – the word 'ima' is inspired from one of the oldest languages, Aramaic, meaning "mother". In realization of the needs of every mom out there, imababywear creates a comfortable wear for babies. Every clothe is tailored with a motherly care to keep your baby snug all the time.
