The background of the entire page is a repeating pattern. It consists of horizontal black lines. On these lines, there are stylized birds and trees. The birds are simple line drawings with some having green wings or chests, and others having grey chests. Some birds have small green hearts floating above them. The trees are simple green shapes with three vertical lines for branches. The pattern repeats across the entire page, with the text 'Tiny Tweets' centered in the middle.

Tiny Tweets

IMABABYWEAR

Tiny Tweets

" Birds have wings; they're free; they can fly where they want and when they want. In the same way, your little birdie will feel free and look absolutely lovable in this adorable yellow-themed dress. Our adorable little Birdie dress is specially designed for your little birdies who haven't got their wings yet. "

imababywear

All the imababywear garments are tailored by a highly skilled master-tailor to the precise size of its wearer. Every clothe is uniqueley tailored for a perfect fit.

imababywear garments are made with 100% premium cotton. They are free of chemicals, Hypoallergenic, natural moisture wicking and do not irritate skin.

Our cotton is sourced directly from nature, which is highly breathable, naturally absorbs and releases moisture and so good for sensitive skins.

Fabric

Interlock

Interlock fabrics are specially knitted for baby garments, because it is super-soft. This fabric is smooth on both the sides which feels like a butterfly on the baby's skin. It has a good shape retention property.

Imababywear

imababywear – the word 'ima' is inspired from one of the oldest languages, Aramaic, meaning "mother". In realization of the needs of every mom out there, imababywear creates a comfortable wear for babies. Every clothe is tailored with a motherly care to keep your baby snug all the time.
