# RECEIVING BLANKET

STYLE NO: IBS22-09

**DIMENSION : 100\*100 CMS**

Receiving blanket is made of printed cotton interlock fabric, which is highly breathable. It is very fine, lightweight and smooth in texture. And it is one of the purest, softest and most gentle fabrics available around the world, so it is widely used in baby wraps. Since it is highly breathable, receiving blanket allows for airflow, reducing the risk of overheating. This quality helps keeping the baby more comfortable, safe and gentle..

# imababywear

All the imababywear garments are tailored by a highly skilled master-tailor to the precise size of its wearer. Every clothe is uniqueley tailored for a perfect fit.

imababywear garments are made with 100% premium cotton. They are free of chemicals, Hypoallergenic, natural moisture wicking and do not irritate skin.

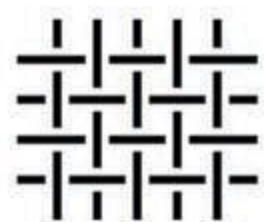

Our cotton is sourced directly from nature, which is highly breathable, naturally absorbs and releases moisture and so good for sensitive skins.

## Fabric

Interlock

Interlock fabrics are specially knitted for baby garments, because it is super-soft. This fabric is smooth on both the sides which feels like a butterfly on the baby's skin. It has a good shape retention property.

Muslin

Muslin is a plain-woven cotton fabric, which is highly breathable. It is very fine, lightweight and smooth in texture. And it is one of the purest, softest and most gentle fabrics available around the world, so it is widely used in baby clothing. Since it is highly breathable, muslin allows for airflow, reducing the risk of overheating. This quality helps keeping the baby more comfortable, safe and gentle.

## Imababywear

imababywear – the word 'ima' is inspired from one of the oldest languages, Aramaic, meaning "mother". In realization of the needs of every mom out there, imababywear creates a comfortable wear for babies. Every clothe is tailored with a motherly care to keep your baby snug all the time.
